MAPSCO
TABLETOP RALLY

This invitation-only event is not a driving rally, but one you do on your kitchen table, in the new **MAPSCO Roads of Texas** atlas. If you have received your book from **MAPSCO**, please register for the event at

<http://www.dlbracing.com/clubs/texascca/rally.aspx?EventID=3296>,

to be eligible for trophies, and for door-prizes at the Awards Ceremony at Blue Mesa in Addison on June 7 (1pm).

The class structure is slightly different for this rally alone:

First-timer Neither team member has ever run an auto rally of any type (including Map) before.

Novice Neither team member has ever trophied in a roadrally or Map rally before.

General Does not fit the description of the other classes.

Master Either team member has won many rally trophies. You decide if you should be in Master Class. Exception: if either team member has ever finished the St. Valentine's Day Massacre or one of their other Map rallies, the team is automatically in Master class.

Note: a navigator is not required for this event.

If you missed the TableTop Rally this year, email rally@texascca.org to be placed on next year's mailing list.

We hope you will join us for "Mountain Creek Classic" in August, starting at Turner Park in Grand Prairie, another fine gimmick rally in the tradition of Mountain Creek Rally Club. As soon as the date has been finalized, we will put the information on www.texascca.org.

Later this year we will reprise the DFW Map Rally, last year's most popular event. We will also team with Mapsco for the Roads of Texas Rally, an all-day event to Granbury. The last event of the year will be a night rally.
