- 2020 trophies & awards
  - How will this be done?
  - Time Trials will be doing a meeting for awards
  - Solo may do a trophy ceremony at the end of an event
- In person board meetings?
  - State perspective, soon
  - County & Black Walnut perspective, when?
    - May not be able to use Black Walnut because of inside spacing
    - Matt will contact Black Walnut for details
  - Could we use an outside location?
  - Could we do a hybrid in-person and Zoom?
- Tues March 23rd track Night in America at Motorsport Ranch Cresson

## Treasurer's Report, Sherrie Ledbetter

- Race
  - Not yet complete, sanction fees in question
- Ahead on membership since we did not hold a 2020 banquet
- Solo
  - Event #1 looking positive
- Rally
  - Showing negative but not complete due to rescheduling

## Race, skipped

## Rally, John Poulos

- Event #1 2/28
  - Rescheduled twice due to weather
  - 18 cars
  - Rally App and Google Forms worked well
  - SpeedWaiver worked okay, but pricing may not be worth it in the long run
  - Weather was "threatening" but did not cause issues
- Next events: May 1st and June 19th

## Solo

- Event #1
  - 147 with times
  - Lots of timing errors due to leaves & debris blowing around
- Event #2 at Eagles Canyon Raceway
  - Experience requirement is for worker safety
- Event #3 at Lonestar Park
  - July 25th
  - Still under limited registration at this time
- 47 annual tech cars
- Budget
  - Good replacement batteries for radios are on backorder
  - Timing lights/parts may be replaced
    - Current ones have non-replaceable rechargeable batteries which are old
    - New ones have user replaceable rechargeable battery
  - Trailer spare tire
- Speaker audio quality during heats is challenging, can it be improved?
  - Will need to play with amplifier and FM transmitter to tune line levels
- C10 event
  - May 14-15
  - Are we helping?

### Time Trials

- Event #1
  - April 17th
