Hi Sitara,

The goal of this newsletter going forward is to keep our members informed on what's happening around the region, which includes each program within the region, any national SCCA news that applies to members in our region, and provide some resources for our members to help them enjoy the Texas Region to its full potential.

Please enjoy!

## Around the Region

### The Texas Region Awards Party is almost upon us!

Once per year we spend one night honoring the good (and sometimes not so good!) work that our members put in the previous season. This is also your opportunity to catch up with some members that you might not have seen for the last few months and have a laugh or two as well. Whether you won an award or not, you're invited to join us at Lone Star Park on

Saturday, February 1, at 6:00pm for dinner and drinks.

We look forward to seeing you!

Registration is open until **Thursday January 30th**, and can be found [HERE](#)

## Autocross / Solo

### Be on the lookout for the 2025 Solo Calendar!

### Street Touring Classing Changes

If you had plans to dominate your STR class this season, I have some devastating news for you... you're going to need some new magnets. The good news is you can save and reuse your old S's and T's, but this year SCCA will abandon names for its Street Touring classes (Sport, Hatch, Extreme etc...), and replace them with the alphabet. Here's a guide to the new classes.

IF YOU WERE IN:	YOUR NEW CLASS IS
SST	AST
STU	BST
STR	CST
STX	DST
STS	EST
STH	FST

## Road Rally

### Holding for the 2025 Road Rally Schedule.

RoadRally is a scenic drive with a purpose, a chance to enjoy a day with a friend, the least expensive form of motorsport and as one participant described it, "The most intense thing I have ever done." There are several types of rallies, from the professional speed event on forest roads to an after-meeting scavenger hunt..

### The Road Rally program is seeking interested volunteers to help plan TX Region Events.
